She outbroke the others and opened up a winning gap in the first furlong, was never in trouble and had plenty in reserve at the end. O'Hagen raced Albula to defeat in the first half and was easily second best. Senator Morrison began slowly but finished fast and got up in the last few strides. Albula showed early speed but tired and quit as if short.

Scratched—36777 Antonius, 115.
Overweights—Double O, 1½ pounds.

Winner—Ch. g. by Atheling—Stoncrop (trained by J. Daniels).
Went to post at 2:31. At post 4 minutes. Start fair. Won easily; second driving. Thane began slowly and Pollak rated him along until rounding the far turn where he moved up to the leaders without much effort, took command in the stretch and was going away at the end. Illuminate closed a big gap, finished in the middle of the track and out-gamed Alpaca when it came to a drive. Alpaca showed the most early speed but quit in the last quarter. Tom Collins was used up following her. Zack Ford and Masterful had rough trips.

Thane, show, 3 to 5. Illuminate, show, 2 to 1. Alpaca, show, 2½ to 1.

Went to post at 3:03. At post 1 minute. Start good. Won easily; second the same. Ben Chance was outrun for the first half, but moved up with a rush in the stretch run, shook off his field in the last sixteenth and had a lot in reserve at the finish. Scotch Plaid had no mishaps, was well ridden and in the good going all the way. Jessie Jarboe tired and quit after going six furlongs. Cogswell could not extend himself in the going.

Scratched—(37408)Boaster, 103.

Overweights—Ben Chance, 2½ pounds; Jessie Jarboe, 2½; Cogswell, 2.

Winner—B. f. by Knight of the Thistle—Pansy (trained by R. W. Walden).
Went to post at 3:33. At post 8 minutes. Start poor. Won driving; second the same. Petunia was off with the leaders and Lindsey kept her in the good going all the way, caught Aransas Pass at the turn into the homestretch and the pair fought it out all through the last furlong and Lindsey outrode Hall when it came to a finish. Aransas Pass was off running and had every advantage but could not withstand the winner's strong challenge. May Holladay closed a big gap and outgamed Jessie Weller at the end. Becky Rice was left standing flatfooted and closed a tremendous gap while rounding the far turn but was interfered with and crowded back in the stretch run. This is a good filly. Bird Pou out up and delayed the start. She is a bad actor and is liable to get left at any time.

Overweights—Lady Walter, 1½ pounds; Transmigration, 1½.

R. W. Walden & Sons entry, show, 2 to 5. Aransas Pass, show, 1 to 2. May Holladay, show, 3 to 1. Becky Rice, show, 1 to 3.

Winner—Ch. m. by Aretino—Morna (trained by W. H. Fizer).
Went to post at 4:06. At post 2 minutes. Start good. Won easily; second handily. The light weight favored Sue Johnson. She was off well in motion, raced into the lead while rounding the first turn and was never headed, but had to be hustled along at the end to stall off Chickadee. The latter ran a good race but was in the sticky going most of the trip. Polly Bixby closed a big gap, finished fast on the extreme outside and outgamed Ceylon when it came to a drive. The latter ran well to the stretch. Mosketto bled and was pulled up.

Scratched—37288 Moranda, 101; 37439 Denny Duffy, 101.

Winner—Ch. f. by Aloha—Annie L. (trained by J. Ownbey).
Went to post at 4:37. At post 2 minutes. Start good. Won driving; second easily. Aurie B. began slowly but saved ground at the turn into the homestretch and fought it out with Mauser all of the last furlong. The latter went wide while rounding the turn into the homestretch, but came again at end and would have won in a few more strides. Kiwasa tired when it came to a hard drive, but ran in much improved form. Safeguard fell at the turn into the homestretch. He showed early speed but was beaten after they had gone a half. Flora Levy had a rough trip, was cut off, and crowded into the fence and finally crowded into the deep going.

Scratched—37408 Brookston, 97.

Overweights—Crutchfield, 5 pounds.

Sandflea had no mishaps and ran her race. By George was quitting badly at the finish after showing early speed. Title ran a good race after getting much the worse of the start. Nannie J. ran as if she found the distance too far. The others were never dangerous.

Winner—Ch. m. by Kosciusko—Elsie B. (trained by T. P. Lloyd).
Went to post at 3:12. At post 3 minutes. Start fair. Won driving; second the same. Ada Russell was well meant today and no mistakes were made. She came along next to the rail into the stretch run and lasted long enough to win. Boittie ran in improved form. Quincy, off none too well, made up much ground to the stretch bend. Steele made a great show of whipping his mount in the run home, but kept watching the two horses in front of him and to the inside instead of going on about his business. Dr. Carr can do better. Figurante quit in the final eighth. Postillon showed a flash of speed.

Scratched—14271 St. Augustine, 118.

Overweights—Ada Russell, 1 pound; Quincy, 1; Dr. Carr, 5.

Went to post at 3:38. At post 10 minutes. Start straggling. Won easily; second driving. Charlo ran a good race. Always well up. Mountain got through next to the rail at the stretch turn and going on about his business won with plenty to spare. Walker had a nap on Waiter up to final eighth, where he woke up and commenced riding his mount and closed up with a rush but could not get up in time. Hi Kollar ran a good race and hung on gamely. Dick Clarkson quit badly when the final struggle came. Deveric stumbled and threw Rooney in a false break.

Pat Garrett, at present in good form, moved up fast around the backstretch turn and catching the field under a good ride, he won with plenty to spare. Lathrop ran well and finished fast. Meehanus outclassed the field, ran to the front on the stretch turn and cantered the remainder of the journey. Troy made the running for a half and held on better than usual. Prue, notwithstanding being badly ridden, was an easy third and finished fast. Estado closed up much ground. Hesper retired early. The Phoenician was always outrun.

Orsius outclassed the field on a speed basis, forced the pace throughout and was well in hand until in the last sixteenth, when he commenced to tire and is probably a non-stayer. Oro Viva, crowded back early, went the longest way around, finished fast but was swerving at the end under a weak finish. Bell Reed held on well. Lady Gallantry finished fast. Queencup showed speed but failed to stay.

Galanthus, away slowly and crossed on the first turn, ran into the lead early in deep going next to the rail and easily retained his advantage to the end and was particularly favored by the soft going. Bonnie Lissak ran a steady race throughout and closed up fast in the final drive. David S. was always prominent and was probably short. Alado ran a bad race. Louwelsea went a good six furlongs.

Epicure forced the pace to the half where he came away from the others as if they were anchored. He was much the best and seemingly likes this track. Lord Badge loomed up dangerously on the stretch turn but failed to make good when called on. Leader was handicapped by the deep going, tired after going six furlongs and ran a bad race. Bragg is still far off from his best form.

Tower of Candles is in rare form, waited on the pacemaker to the far turn where she drew up and passed her field and finished fast through the last quarter. Huachuca received a lethargic weak ride, but finished fast through the last quarter. Sylvia Talbot forced a fast pace for the first half, but under a weak incapable ride lost second place. Lady Kent finished very fast. Barklyite tired at the end after appearing a strong contender for third place when a furlong out.

Winner—Ch. g, by Hermencia—Grecia (trained by W. Cahill).
Went to post at 4:23. At post 1 minute. Start fair. Won easily; second driving.
Hermencia is in his best form. He beat the barrier but was taken back and indulged the pacemakers for six furlongs, forging to the front in the stretch without much urging. Nigrette, badly ridden and collided with at the start, was in a hopeless pocket to the far turn and repeatedly pulling up, but closed up fast on the extreme outside in the stretch. Artilla ran as if very good, moved up prematurely on the backstretch and finished with her usual sensational stretch rush. Autolight ran poorly and failed to come on in the last quarter. Ed Adack found his speed today and ran well for over six furlongs.

Hermencia, show, 1 to 4. Nigrette, show, 1 to 4. Artilla, show, 3 to 2. Autolight, show, 1 to 3.

Correspondents AND Commissioners

STATE NATIONAL BANK BUILDING,
619 COMMON ST., NEW ORLEANS, LA.

Announcement.

New Orleans, February 2, 1903.

BY RILEY GRANNAN.

(SPECIAL DISPATCH.)

To the American Racing Public:

The Riley Grannan Company has been incorporated under the laws of the State of Louisiana, with a paid up capital of \$100,000, for the purpose of transacting a general turf information and commission business. I have been elected President and will direct the operations of the company in the interest of hundreds of friends who have already signified a desire to become patrons, and in the interest of the general racing public, whom I shall be glad to enroll individually on the books of the company as regular subscribers to the service, full particulars of which are set forth below.

I hope I need hardly refer to my long career as a bettor, bookmaker, handicapper and general form expert, or to my inside connections with prominent owners and trainers to secure patronage. Every angle of the game is an open book to me, and I have pledged myself to the gentlemen who are backing me with practically unlimited capital to give to patrons of the company the fruits of my experience. I have already organized a large staff of clockers to watch the preparations of the horses on the ground in the early morning hours, and may add that my force is the best organization of its kind which money and a knowledge of experts can bring together. I have, also, heard from at least two hundred owners and trainers within the past forty-eight hours who express willingness to put their best information within my reach. The handicapping I shall do myself.

I am quite satisfied that the results which the company will be able to accomplish through this system of selecting winners will bring brilliant results. In all my racing career I have never had a losing week when I had for a basis such an organization. My personal winnings on such information have been as high as \$200,000 in a single week. My losses on the turf at different periods may be attributed to a stubbornness which at times I evinced in sticking to handicapping entirely.

The racing experience I have had is probably unique in turf history, and I trust it is not immodest for me to say it is a valuable asset to a turf advisory bureau.

That experience is now your property if you join us.
Every morning I shall with the assistance referred to above, select what I consider the best and surest bets of the day, and on these the Riley Grannan Company will play the money of its clients. On some days it may be impossible to arrive at a decision that there is a single good bet on the card.

At others there may be four or five. The company will not therefore bind itself to make any stipulated number of bets. Such bets will be made that seem judicious, and no others. The Riley Grannan Company will conduct business on the following basis:

Terms for information, \$5 per day and no charge unless we send you a starter. The smallest sum we will undertake to place for any client is \$10 on each selection. The smallest account we will accept is \$100. From every account we will deduct \$5 daily in advance for the information. At the end of each week a check will be mailed for any profits that accrue, less five per cent. of the net winnings which will cover our expenses in placing your money. Whether the account wins or losses, a statement will be mailed at the end of each week.

There is no limit to the amount which may be sent us for play.
A remittance of \$100 will insure a \$10 play on each selection. A remittance of \$200 will insure a \$20 play on each selection. A remittance of \$300 will insure a \$30 play on each selection. A remittance of \$400 will insure a \$40 play on each selection. A remittance of \$500 will insure a \$50 play on each selection, and so on. The reason a sum so much in excess of a single bet is required is that the company will at times bet your money on losers as well as winners. The best horse does not win every race and we may have an occasional bad streak. By having a sufficient amount of capital with the company, you will in all probability be protected against such a contingency. I have never personally made over seven straight losing bets in my life. Experiences differ in this respect, but it would be the height of folly for anybody to send in an account to be played for him without protecting it against a few successive losers.

I entertain the very greatest confidence in the ability of the company to make you a handsome winner. I have gathered about me the very best force of experts obtainable and have backing to the extent that must enable me to succeed. I give you the strongest assurance that any accounts you intrust to the Riley Grannan Company will be played on the best selections that money and brains can secure, and that you will get the squarest run for your money that has ever been given to anybody in racing. This being my original venture in this department of the game, you will readily understand what success or failure means to me. I have a reputation to sustain and if I did not think I could sustain it and improve upon it, I would not now be addressing you.

Here are a few additional particulars that have bearing on the plans of the Riley Grannan Company.

The charge for placing your money will be five per cent. of the net weekly profits. Selections will be mailed to subscribers for whom we place money before the races are run.

Racing enthusiasts who are in a position to operate their own money can have the information wired to them every day at noon for \$10 per day. The rate is made higher for those who play their own money for the reason that it is necessary to keep the information as exclusive as possible, and to prevent piracy. All telegrams sent at cost of subscribers.

Make all remittances payable to the Riley Grannan Company. Remit money by express, money order, post office money order or certified check if possible. Register your mail when you send cash.

Address, The Riley Grannan Company, 619 Common Street, New Orleans, La.

All orders will be booked and acknowledgements sent in the order of their reception. Operations will be commenced on February 16 at New Orleans and continue for thirty racing days here, until March 31. After New Orleans operations will be conducted at Memphis, beginning March 28.

All accounts will be operated continuously until ordered withdrawn. Intending subscribers should forward money as early as possible to be in on opening day—February 16.

GOSSIP OF THE TURF.

The New York Sun of February 9 has this to say about eastern horses in the American Derby:
 "Eastern turfmen are manifesting unusual interest in the entry list for the American Derby, made public yesterday, for the reason that it promises to be a greater race than ever before inasmuch as the best three-year-olds in the country have been named, including those owned by August Belmont, R. T. Wilson, Jr., Whitney & Duryea, P. J. Dwyer, P. H. McCarran, F. R. Hitchcock and J. E. Madden, and all of whom race here from year to year in preference to other parts of the land. Mr. Belmont has entered his promising Hastings colt, Lord of the Vale, which ran second to Savable in the Futurity and defeated Sergeant in the Consolation Stakes at Benning last fall. Mr. Wilson, who tried to win the Derby year before last with The Parader, has entered the Mirthful colt Mexican, which won the Produce Stakes and other rich

stakes last year in the colors of C. H. Mackay. Mr. Wilson has also named Grantsdale, a colt which did not do much racing last season.

"Whitney & Duryea, who will race in future under the name of the Westbury Stable, have entered Irish Lad, the son of Candlemas—Arrowgrass, which won, among other important events last year, the rich Saratoga Special, and who recently received the highest recognition as a three-year-old in W. S. Vosburg's allotment of weights for the big eastern handicaps. Mr. Dwyer has entered his Handspring colt, Merry Acrobat, who developed rapidly last fall, winning the White Plains Handicap, and is believed by his owner to be a second Major Daingerfield. Senator McCarran's representative is the colt Mackey Dwyer, which showed ability to go over a route last fall so successfully that great things are expected of him this season.

"F. R. Hitchcock has nominated his fleetfooted gelding, Grey Friar, which took the measure of Acefull in the Matron Stakes at Morris Park last fall and also won the Albany Handicap at Saratoga, performances which, with others, convinced many turfmen that the son of St. George—Una B. was pretty nearly the best two-year-old of the season. John Madden, though Pentecost could not get a slice of the money a year ago, has again set his cap for the Derby and has named Yardarm, Onatas and Dauphin. With this array of talent, the east appears to be well represented, in fact, more formidable than ever before."

Secretary Macfarlan has announced dates for running of stakes at Montgomery Park as follows: March 30, Montgomery Handicap; April 1, Gaston Hotel Stakes; April 4, Ardelle Stakes; April 7, Tennessee Derby; April 11, Cotton Steeplechase Handicap; April 13, Tennessee Oaks; April 16, Tennessee Brewing Company Stakes; April 18, Memphis Stakes; April 20, Gayoso Hotel Stakes; April 22, Peabody Hotel Handicap.

HORSES GAIN NEW OWNERS.

NEW ORLEANS, LA., Feb. 11.—Ownership of several racers changed hands this afternoon, the most important sale being that of the fast two-year-old Arandas Pass to W. S. Price for \$2,000. Bauson Caldwell was bought by J. J. McCafferty for \$1,200. Bummer II., by C. A. Johnson & Co., for \$1,500, and U. Z. DeArman claimed Barkelmors for \$1,025.
